# PRESENTING READY TO (H)EAT

**A UNIQUE  
POTATO SOLUTION**

**COMBINING  
FRESH TASTE  
WITH FAST PREPARATION**

As a food professional, you are always on the lookout for the best quality for your guests and possibilities for optimising your process. You need potato solutions that offer convenience without compromising on quality and taste. With this in mind Ready to Eat was developed.

This unique product range offers the best of both worlds, combining freshness in taste with operational efficiency.

This CêlaVita solution gives you time to focus on other things. A potato solution has never been so simple.
