# READY TO COOK

**PREPARED  
TO FIT YOUR RECIPE**

**FRESH  
TASTE**

Blanched potatoes give you the benefits of fresh potato, but with the prep work already done. This gives you more time to create healthy and attractive hot meals.

The products give you freedom to prepare many different recipes and the consistent cooking grade makes sure the preparation is the same every time, no matter who does the cooking.

The benefits of this CêlaVita solution are versatility and freshness in one product range. A potato solution has never been so simple.
